

DA591/DA592 Dance Excellence:

To select this unit students must have a minimum of 5 years dance experience

The Dance Excellence unit aims to provide students with identified Dance talent an opportunity to develop their dance performance and expose them to various facets of Dance. Topics of exploration include fitness and nutrition for performance, technical and performance skills covering a wide range of styles and forms. Students will further develop choreographic and creating skills and the unit provide a realistic opportunity for students to realise potential through the development of Dance technique.

DA593 Hollywood Moves

This unit provides the students the opportunity to recreate their favourite dance moments from movies, TV shows and video clips. Students will perform dance scenes from Glee, So You Think You Can Dance, Step Up, Honey, and Burlesque, Grease, Footloose, Michael Jackson's Thriller and many more. Popular dance crazes from the past such as the Charleston, the mashed potato, disco, hip hop and Jive will be taught and researched and as well as cultural dances and their significance to their country of origin. This unit takes you around the

world as you not only discover you can be a movie star in a dance movie but also view the importance of dance in many cultures.

DA595 All That Jazz

This unit explores dance styles in Musical Theatre. Students will perform routines from Chicago, Cats, Singin' in the Rain and Oklahoma. They develop the skills to create and perform their own choreography and choices in musicals and dance styles. Students will take on the creative roles of choreographer, performer, actor and director. The dance styles of jazz, cabaret, tap and ballet will be featured in this unit.

DA597 Heart Moves

Students learn the art of choreographing. Dance Composition will be taught throughout this unit with learning experiences in solo, duet and group dance choreography activities. The dance elements of space, time, dynamics and relationships will also be explored. Students will choreograph movement pieces inspired by their favourite songs and artists, lyrics, paintings, poetry and nature. They study the choreographers who paved the way in contemporary dance and analyse some of their work.

This unit also explores storytelling through dance with a focus on personal and group choreography and interpretation through the use of the body. Students use movement to express feeling.

DA598 Bring It On!

Students will explore the skill of cheerleading, the ever increasing hobby that has taken Australia by storm! A trained professional will guide students through the skills needed to become a cheerleader. Motion and hip hop choreography and stunts ranging from basic thigh stands to elevators and pyramids will be taught throughout the professional training. You will graduate as a cheerleader with a winning whole class routine. Students will then create their own small group routines using their own choreography and soundtrack. Teamwork, focus, enthusiasm and safe dance practice is needed for this unit.

Assessment

Assessment will be centred upon the three strands, Choreography, Appreciation and Performance:

Each unit will have a choreographic piece of assessment where they will either choreograph a routine by exploring, selecting and manipulating dance components and skills as well as seeing live and videoed performances or from learning a given routine. Students perform for the class and will be recorded as they employ the technical and expressive skills of dance to communicate an interpretation of intent. Students will build their knowledge and understanding of dance in its contexts and learn the skills of analysis, interpretation, evaluation and research necessary for appreciation through critiquing theirs and others' dance works.
