

HOPE IS THE GREATEST GIFT YOU CAN GIVE

Mercy College Mackay has announced a bold new initiative – The Brekky Van, to empower those struggling in the community with something as simple as breakfast. A vital part of most of our lives; breakfast is often taken for granted – yet for some, it’s something they go to bed wishing they could wake up to. It could be your colleague at work, your neighbour, or your child’s best friend. The struggle often goes unseen, and Mercy College Mackay aim to be the change.

The Brekky Van is an incredible opportunity to make a positive impact in our community by providing a free, nourishing breakfast for those in need. The Brekky Van will be a source of hope and sustenance for people; a chance to re-fuel for the battle ahead and connect with others in similar shoes. A chance to send their children off to school with the energy they need to learn, grow and thrive.

The Mercy College Brekky Van is asking you, as an integral business in our community, to think about those who are struggling to make ends meet. Those who perhaps through no doing of their own, have simply faced hardships. Those who, as a result of factors spanning from societal, cultural, health and personal relationships have found themselves in a place where no person wants to be, or deserves to be.

YOUR DONATION IS MORE THAN JUST FOOD ON A PLATE...

...it's providing hope to individuals and supporting the community you work and live in.

Mercy College are asking local businesses to join them in helping relieve hunger in the local community by donating vital funds to help acquire the The Brekky Van, with Mercy College committed to purchasing the ongoing food required. The College would like to start serving breakfast from early 2019, in conjunction with Orange Sky Laundry services in the Mackay CBD. Students of both Mercy College and St Patrick’s College Mackay will assist in staffing The Brekky Van, which is a wonderful opportunity for students to give back to the community and understand the hardships faced by many people.
